Notes

3.000 copies limited edition fan-club exclusive collection of demos and alternative versions. Issued in clear tray jewel case. Includes 8-page booklet featuring track by track notes by Bob Stanley and Pete Wiggs (uncredited).

From liner notes:

"This is the way Saint Etienne could have sounded with a little less time, a little more flexibility, or a lot less help from our friends. All familiar songs, but at various stages of completion. (...) In a special fun-size edition... From the archives of oblivion... at a nice price you can afford... it's the alternative Saint Etienne."

Songs are listed in booklet with title and year, the versions appearing here are also known as:

Nothing Can Stop Us (1991 - alternative vocal)
