- Mastered By - Bo Kondren
- Written-By - R. Buchmueller\* (tracks: 1)
- Written-By, Producer - B. Deodato\*

## Comments about **Mundo Ritual** - Trikk

### **Nanecela**

Kunu is a total mindblowing track that clearly is a world in itself, trippy, insidious, hypnotic, oriental-ish, haunting. It defines a unique atmosphere, something very rare that cannot be defined by words or seen in reality. That's what makes a classic and an unforgettable listening experience. Originality and quality.
